5th International Conference
**PEATLANDS OF SIBERIA: FUNCTIONING, RESOURCES,
RESTORATION**

Russia, Tomsk, September 8-14, 2025
FIRST ANNOUNCEMENT

Dear colleagues!

We invite you to take part in the international scientific conference "Peatlands of Siberia: functioning, resources, restoration", which will be held in Tomsk from September 8 to 14, 2025.

Conference topics

Section 1. Ecological monitoring

Dynamics and functioning of peatlands ecosystems, biodiversity and biogeochemical cycles of elements, greenhouse gas flows, paleoecology, hydrology, hydrochemistry.

Section 2. Remote sensing and mapping of peatlands

Satellite data and drone, ground penetrating radar research and GIS.

Section 3. Resources

Genesis, exploration and assessment of peat resources, issues of practical use of peat in municipal and agricultural industries, medicine and balneology, building construction.

Section 4. Protection and restoration of peatlands

Disturbed peatlands and restoration.

Field trips

Trip A Temnoe raised bog (peat extraction site and pristine area)

Trip B Obskoe fen in Ob River floodplain

Preliminary schedule

September 8 – Arrival of the conference participants

September 9 – Trip A Temnoe raised bog

September 10 – Trip B Obskoe fen

September 11-13 – Conference session and Workshops

September 14 – Closing session

Deadline and abstract submission

To participate in the conference, it is necessary to submit a registration form and an abstract (about 500 words) before **20th of July, 2025** to the email address peatlands2020@yandex.ru.

Fee

The registration fee for participants 400 \$. The cost of excursion A is 250 \$, the cost of excursion B is 200 \$.

Organizing Committee: Siberian Research Institute of Agriculture and Peat-branch of SFSCA RAS

Russia, Tomsk, Gagarin st., 3, +79059921376, +79293715297
